2 & 3 December 2010

PLAZAMEDIA in Ismaning

In the context of this two-day event from Eyes & Ears of Europe and PLAZAMEDIA, participants will deal with the theoretical and practical aspects of target-oriented team work, because: a team is more than the sum of its members and their professional expertise. In practical-oriented teamwork, the participants will approach the topic of team building, record the results of their teamwork and reflect upon their approach.

This event is primarily aiming employees of media and communication companies, (post) production firms, design studios, consultancies, marketing, advertising and dialogue agencies who want to learn more about this topic. Students and trainees are also very welcome. Please note that the number of participants is limited to a **maximum number of 10**. **The seminar language will be German.**

Registration deadline: 26 November 2010
