

Call for Entries to the 26TH INTERNATIONAL EYES & EARS AWARDS

On the 21st of October 2024, Eyes & Ears of Europe will present the best productions of the year for the 26th time and award the creative teams with the International Eyes & Ears Awards. The show offers a unique opportunity to gain an impression of current trends, innovations and new perspectives. The award ceremony will take place as part of EYES & EARS 2024.

The International Eyes & Ears Awards recognise particularly creative, innovative and effective design, promotion and brand communication measures. The trophies are awarded in different categories in the areas of Design, Audio, Digital, Craft, Promotion & Cross-Media. Projects published for the first time between 1 May 2023 and 30 June 2024 can be submitted. The same project may not be submitted again in the following year, only a further development of the project with significant changes. Please also note our new audio specifications

Submit your projects from 15 April at <https://www.eefe-awards.org>

In these times, we are again calling for entries in the category "Best Cases in a Worst-Case Crisis". In this category, motivational projects in times of crises are very welcome. And for the major sporting events in 2024, we are offering expanded categories this year. In addition, **BMG Production Music** donates the category 'Best Use of Music'. For exceptionally impressive overall performances, Eyes & Ears of Europe awards the **Eyes & Ears Special Prizes**.

The highlight of the event will be the presentation of the **Eyes & Ears Inspiration Award**. Since 1998, this award has been presented for outstanding contributions to the design and reflection of audio-visual communication. Past winners of this honorary award for inspiration and creativity are Banda, @noonouri, Uli Hanisch, Es Devlin, Falk Rosenthal, Erik Spiekermann, Dale Herigstad, Michael Conrad, Kyle Cooper, Nico Hofmann, Volker Weicker, Michel Comte, Florian Wieder, Yello – Dieter Meier und Boris Blank, Robert Wilson, Manfred Becker, Peter Weibel, Anton Corbijn, Peter Lamont, Hermann Vaske, Sky Du Mont, Martin Lambie-Nairn, Roman Kuhn und Oliviero Toscani.

Category	What can be submitted?	Requirements

Best direction	Productions focusing on direction	Element(s) as single video clip, max. 3 min.

CRITERIA FOR ALL CATEGORIES

Unless stated otherwise, every submission is eligible to participate regardless of the medium (on-air, online, streaming or other) as long as it promotes content or the content provider.

First broadcast date

- The entry must have been broadcast for the first time on a radio station, on a VOD platform, streaming platform, in cinemas, on the Internet or as part of an event, or have been made available to the public in any other way in the period from **1 May 2023 to 30 June 2024**.
For campaigns with several spots or elements, at least one of the spots or elements must have been broadcast or gone online for the first time during the specified period or must have been made publicly accessible in some other way. The same campaign may not be submitted in consecutive years.
- The same project may not be submitted again in the following year, only a further development of the project with significant changes.

What would you like to tell the jury:

Please provide relevant information on the key points 'Innovation, Creation, Efficiency, Context, and Usage'.

Language & Subtitles

Submissions not produced in German or English must be subtitled in one of these two languages.

Audio specifications

- Peak level: -1 dB
- Please use only the original music and sounds.

Video Specifications

- The portal accepts videos with the endings mp4, ogg, avi, mov, wmv, flv, ogv, webm, mpeg, mpg and a file size of maximum 1 GB.
- To maintain a certain quality standard, we can recommend the following two video specifications:
 - **Middle Quality Video:** Quick Time (.mov), H264, data rate: 15 MBit/s, 1920x1080, Color Level: 601/709, Upper Field First, Audio: Linear PCM, 48,000 kHz, 24 Bit
 - **Low Quality: Video:** Quick Time (.mov), H264, Data rate: 6 MBit/s, 1280x720, Color Level: 601/709, Upper Field First, Audio: Linear PCM, 48.000 kHz, 24 Bit

Screenshot

- A representative screenshot/key visual must be uploaded for each submission. In the event of a nomination, this screenshot will be used for the website, the event design and all print products.
- Dimensions: 1920 x 1080 px, landscape format as .jpg, .tiff or .png file.

Video clips, black screens, panels

- Each entry must be submitted as a separate clip.
- If you would like to submit the same entry into several categories, you must do so in separate entries.
- More than one entry for the same or a different category in one clip will not be accepted.
- Assessment will only be made for what can be seen and heard on the tape: Please note that all elements of your entry – including all print or poster motifs, giveaways and other merchandise, radio commercials and/or websites, e.g. in the case of an integrated campaign – must be seen or heard in your submitted clip.
- **Black screens** should be no longer than 2 seconds.
- Please **DO NOT** use any panels with the title or the category of the submission.

Digital categories

Please note that websites, social media, mobile applications etc. must be accessible permanently until the end of 2024 in Germany and Switzerland. Please create guest log-ins if necessary and supply them with your submission.
