The winners of the coveted prizes will be announced on 18 November at the Filmtheater Sendlinger Tor - at the end of an inspiring EYES & EARS day at the Haus der Bayerischen Wirtschaft in Munich. For the 21st time, Eyes & Ears of Europe honours particularly creative, innovative and effective design, promotion and brand communication measures of the year with the International Eyes & Ears Awards.

"This year, together with our highly qualified expert juries in Amsterdam, Cologne and Berlin - as well as a Europe-wide online jury - we had extensive meetings and discussed and evaluated the approximately 500 international submissions," said Corinna Kamphausen, CEO of Eyes & Ears of Europe.
